

General Assembly 2018
12-14 April, Landshut

On the discrimination of the Macedonian minorities in Bulgaria and Greece.

The European Free Alliance

1. Condemns the policy of discrimination of the Macedonian minorities and the denial of the Macedonian identity in Bulgaria and Greece, members of the EU.
2. Condemns the misuse of the status of a member country by Greece and Bulgaria in the achievement of undemocratic causes against the members of the Macedonian minorities on their soil and the blackmail of a candidate country.
3. Condemns the lack of interest by the EU to resolve the above-mentioned problems.
4. Calls on Greece and Bulgaria to change their policies on these issues in accordance to the high democratic values of the EU.
5. Calls on the EU bodies for more active engagement in the solution of these issues.
6. Calls for and will support the creation of necessary European legislative, institutions, and bodies for the protection of minority rights.
